Once you enroll in the plan, you will receive an e-mail confirmation. Your ID Card will be included with this notification. You may visit www.coverage2u.com for additional assistance with your ID card. No other ID card will be mailed to you.

Carry your ID card with you at all times! You will need your card when you visit the campus health center, physician's office, urgent care, hospital, or pharmacy.

Pre-Existing Conditions

Pre-Existing conditions are not covered under this plan of insurance. However, a Pre-Existing condition will be covered after the Plan Participant has been continuously insured for six (6) months under the same Participating Organization.

The Pre-Existing condition exclusionary period specifically for Intercollegiate Sports Activity Benefit will be reduced by the total number of months that the Insureds provides documentation of continuous coverage under a prior insurance Policy with the same Participating Organization which provided benefits similar to the Policy provided the coverage was continuous to a date within 63 days prior to the Insured's effective date under the Policy.

Out-of-Pocket Maximum

After the Plan Participant has reached the Out-of-Pocket Maximum, the Policy pays 100% of Eligible Expenses for the remainder of the Policy Term Injury or Sickness. The Out-of-Pocket Maximum is met by accumulated Coinsurance. Copays, Deductibles, Non-Covered Charges, Penalties and amounts above the Usual, Reasonable and Customary Expenses do not count toward the Out-of-Pocket Maximum. The Out-of-Pocket Maximum is shown on the Schedule of Benefits.

Primary Medical Expense

If an Injury or Sickness to the Plan Participant results in his/her incurring Eligible Expenses for any of the services on the Schedule of Benefits, We will pay the applicable benefit, subject to any applicable Deductible Amount, Copay and Coinsurance Percentage.

Such benefits will be paid on a primary basis, regardless of any other coverage the Plan Participant may have.

Seeking Medical Care

If you experience an Injury or Sickness:

1. You should go to the campus health center first, where the staff will either treat you or refer you to an off-campus provider.
2. If you need to seek medical treatment off-campus, using PPO providers that are part of the **First Health Network** could decrease your costs. For a complete listing of PPO physicians, hospitals, and other facilities, visit www.myfirsthealth.com.
3. In case of an Emergency, go to the nearest Hospital or call **911**.
4. If it is not an Emergency but you need to seek medical treatment right away, using an Urgent Care Center instead of a Hospital ER may decrease your Out-of-Pocket Expenses.
5. After you receive treatment at a PPO provider, your provider will usually submit a claim to the insurance company. You will receive an Explanation of Benefits from Administrative Concepts, Inc., detailing what the insurance paid and what is your responsibility to pay. If you have questions about your Explanation of Benefits or what is your responsibility to pay, please call **(800) 476-4802**. **Do not ignore any medical bills you receive.**
6. **If your provider bills you directly or asks you to pay up front, you will need to submit a claim. Please visit www.coverage2u.com for information about how to submit a claim.**

Campus Health Center

School on-campus health services are available to most members. The campus health center offers limited services for no or low cost to students. For other services, students must pay up front and then submit a claim for reimbursement by the insurance. Please contact your campus health center for further details. **Note that filing a claim does not guarantee reimbursement.**

Preferred Provider Organization

This plan includes a network of medical professionals, including physicians and hospitals, known as the Preferred Provider Organization (PPO).

This PPO is available through **First Health Network**. If you need to see a provider, you should utilize a PPO provider. While you are allowed to visit any provider of your choosing, if you use a PPO physician or facility, you will pay less money Out-of-Pocket.

Network access provides benefits nationwide for Eligible Expenses incurred at 80% of the Preferred Allowance (PA) when treated by network providers (PPO). Benefits are provided worldwide for Eligible Expenses incurred at 60% of Usual, Reasonable, and Customary Expenses (URC) when treated by Out-of-Network providers.

Preferred Providers have contracted to provide specific medical care at negotiated prices. The availability of specific providers is subject to change without notice. The Plan Participant should always confirm that a Preferred Provider is participating at the time services are required by checking the Preferred Provider Network website or calling the Preferred Provider Network and by asking the provider when he or she makes an appointment for services. Out-of-Network providers have not agreed to any prearranged fee schedules. You may incur significant Out-of-Pocket Expenses with these providers. Charges in excess of the insurance payment are your responsibility. Please be aware that if you are treated at a PPO Hospital, it does not mean that all providers at that Hospital are PPO providers. If you are referred by a PPO provider to another provider or facility, it does not necessarily mean that the provider or facility to which you are referred is also a PPO provider. For example, when a network provider refers you to a lab for tests, be sure it is a network lab. This information can be found on the network website.

The PPO Network is not affiliated with Crum & Forster, SPC.

Prescriptions/Medications

The Pharmacy Benefits Manager (PBM) is Express Scripts.

Prescriptions filled at an Express Scripts pharmacy will be paid at 100% after Copay. Copay applies per prescription or refill, subject to dispensing limits. Copay applies to each 30-day supply. You must pay in full for prescriptions filled at an Out-of-Network pharmacy, then submit a claim for reimbursement. Some local Express Scripts pharmacies include CVS, Rite Aid, Safeway, Vons, Walgreens, and Walmart. To locate an Express Scripts pharmacy, call **(800) 400-0136** or visit www.express-scripts.com.

The PBM is not affiliated with Crum & Forster, SPC.

Filing a Claim

If your provider files the claim on your behalf:

- 1** The claims administrator still requires certain information from you. You will need to fill out a form indicating whether or not you have other insurance coverage or provide additional details regarding the nature of your claim. You will need to do this per Accident or Sickness.
- 2** You will receive an Explanation of Benefits (EOB) that outlines what the insurance company paid and what is your responsibility to pay, if applicable.
- 3** The claims administrator will contact you if they need other information; otherwise, they will pay the claim as indicated on the EOB. Do not ignore calls or letters from the claims administrator, as this may delay payment of your claim.

Confidential Communication Request

If you would like to have confidential medical information from the claims administrator sent to an address other than the address on file with the school, you can download a Confidential Communication Request, fill out the form, and send it to the address listed.

If the provider does not file a claim directly with the insurance company on your behalf, you will need to submit a claim for reimbursement for the portion of the charges the company is responsible for paying by completing these steps:

- Download a claim form from www.coverage2u.com.
- Include your Policy number (as shown on your ID Card) on the claim form.
- Attach bills for X-rays, lab charges, etc.
- Send your claim form and all bills pertaining to this claim to Administrative Concepts, Inc. at the address below. Try to have all itemized bills attached to the same claim form.

Administrative Concepts, Inc.
PO Box 4000
Collegeville, PA 19426
Fax: (610) 293-9299

Keep copies of all the documents you submit. If you have questions about claims, contact Administrative Concepts at (800) 476-4802 or claims@acitpa.com.

One simple phone call to the number on your SES identification card will connect you to a state-of-the-art Operations Center, worldwide response capabilities, experienced crisis management professionals, and air and ground ambulance service providers.

SES completely arranges and pays for the assistance services it provides without limits on the cost. This alleviates many of the obstacles and potential expenses that can be caused by medical emergencies away from home or campus.

SES is not insurance; rather it is a provider of global emergency services. SES services do not replace medical insurance during emergencies. All medical costs incurred should be submitted to your health plan and are subject to the Policy limits of your health coverage.
